

THE BABYLON ENCYCLOPEDIA

A Girl's Guide to Creation

You are inside it. It is inside of you.

This is every girl's guide back to Him.

Come, walk the long road with me – from the Bible into Christianity, Judaism, and Islam, through the Dead Sea Scrolls and the Nag Hammadi library, then deeper into the Gnostic texts, and onward through Buddhism, Hinduism, Zoroastrianism, Cosmology, Astrology, and Psychology, until we arrive at the heart of Kabbalah – a mystical journey into the Hebrew alphabet itself.

Follow the single golden thread all the way down to the beginning itself – to the Father, the Fall, the gods, the Material World, and the Rescue by the One who came as the Messiah, the Savior.

Enter the chambers. Let the whole story open before you.

CHAMBER OF REVELATION

Every Girl's Guide Back to Him

The Unveiling — The Last Word

We have walked the entire world.

We have searched through the Bible and the hidden texts, through every tradition East and West, through the chambers of psychology and the modern mind. We have hunted for every drop of oil we could find. We have sought with everything in us — and He has answered.

Now we stand in the final chamber: the Chamber of Revelation. The book written to be the last word.

Here the veil is fully lifted.

We see the seven seals opened, the trumpets sounded, the bowls of wrath poured out. We watch the last great rise of Babylon the Great — that vast system of spiritual adultery, lust, commerce, confusion, and false power — and witness her complete and dramatic destruction. The smoke of her burning rises forever.

Yet in the midst of the cosmic drama shines the most radiant sign in heaven:

A great sign appeared in heaven: a woman clothed with the sun, with the moon under her feet, and a crown of twelve stars on her head. She was pregnant and cried out in pain as she was about to give birth.

Yeshua gave her this power.

The Woman Clothed with the Sun

She is clothed with the Sun – her identity and life force wrapped in solar glory, vitality, consciousness, and creative divine light.

The Moon is under her feet – she has transcended the lunar realm of emotion, cycles, the material mother-matrix, and the counterfeit time system.

Upon her head rests a crown of twelve stars – mastery over the full zodiac wheel and the complete celestial order. The twelve stars also summon the disciples themselves into this mystery.

She is pregnant and in labor, birthing a new consciousness – the Christ child, the new creation, the perfect human being.

Many have kept their oil through all these long cycles of the recycling wheel.

01

Through the Chrism they turned their faces toward the true Light.

02

Through Baptism they were washed and burned clean.

03

Through the Eucharist they were fed the living bread of heaven and gained spiritual immunity.

04

Through Redemption they were stripped of every false garment and released from the old bondage.

We are rising. We are going to rise in the flesh and inherit His Kingdom, just as He promised.

The Recycling Wheel

Now that you stand in the great Babylon, ask yourself: Has history repeated itself? Do we see the patterns that shape us? Do we truly know the truth from the lies in a society like ours today?

The recycling wheel continues to turn – the Cup of Forgetfulness keeps souls returning to the same inherited patterns and bondage, generation after generation.

From the line of David came the King. On the cross, the King cried out, "My God, my God, why have you forsaken me?" Through all we have seen and all we have walked, we are invited to turn those same words inward with trembling honesty:

"My God, my God... why have I forsaken myself?"

Yeshua said, "The first will be last, and the last will be first."

The weeds are being gathered and burned.

The Kingdom is coming on earth as it is in heaven.

How beautiful it will be when His work is done. In that Kingdom, through His perfect restoration, light, and oil, we are given the path back to ourselves. His wisdom leads us to become what we were always meant to be. Every soul will shine with the perfect light of the Bridal Chamber. Love will be the only law. Rest will be the only name. The children of the Bridal Chamber will walk in the eternal day, their lamps burning brightly forever, united with their angelic counterparts, clothed in the perfect light, fully restored at last.

The Word, the Truth, and the Life are calling us home.

Now it is time to go in to the Wedding.

The Parable of the Ten Virgins

"At that time the kingdom of heaven will be like ten virgins who took their lamps and went out to meet the bridegroom. Five of them were foolish and five were wise. The foolish ones took their lamps but did not take any oil with them. The wise ones, however, took oil in jars along with their lamps. The bridegroom was a long time in coming, and they all became drowsy and fell asleep.

"At midnight the cry rang out: 'Here's the bridegroom! Come out to meet him!'

"Then all the virgins woke up and trimmed their lamps. The foolish ones said to the wise, 'Give us some of your oil; our lamps are going out.'

"'No,' they replied, 'there may not be enough for both us and you. Instead, go to those who sell oil and buy some for yourselves.'

"But while they were on their way to buy the oil, the bridegroom arrived. The virgins who were ready went in with him to the wedding banquet. And the door was shut.

"Later the others also came. 'Lord, Lord,' they said, 'open the door for us!'

"But he replied, 'Truly I tell you, I don't know you.'

"Therefore keep watch, because you do not know the day or the hour."
